P.S.

Would you like to feature in our virtual ceremony?

Send your festive videos of daily life in North Berwick
and we will edit the best ones in!

Please see 'guidance for video submissions'

Video submission guide

What kind of videos are we looking for?

Brief phone video clips of you in your home, place of work, club, outdoors, or other place in North Berwick that means something to you.

How should I shoot the video?

Landscape (horizontal) videos on your phone are best.

What should I do in it?

Give us a smile or a wave, do a wee dance, or anything you like to brighten our day!

Don't worry about the audio - we will only use the images.

How long?

The shorter and sweeter the better - we will only take a few seconds from each video so we can feature many residents in as possible

Anything else?

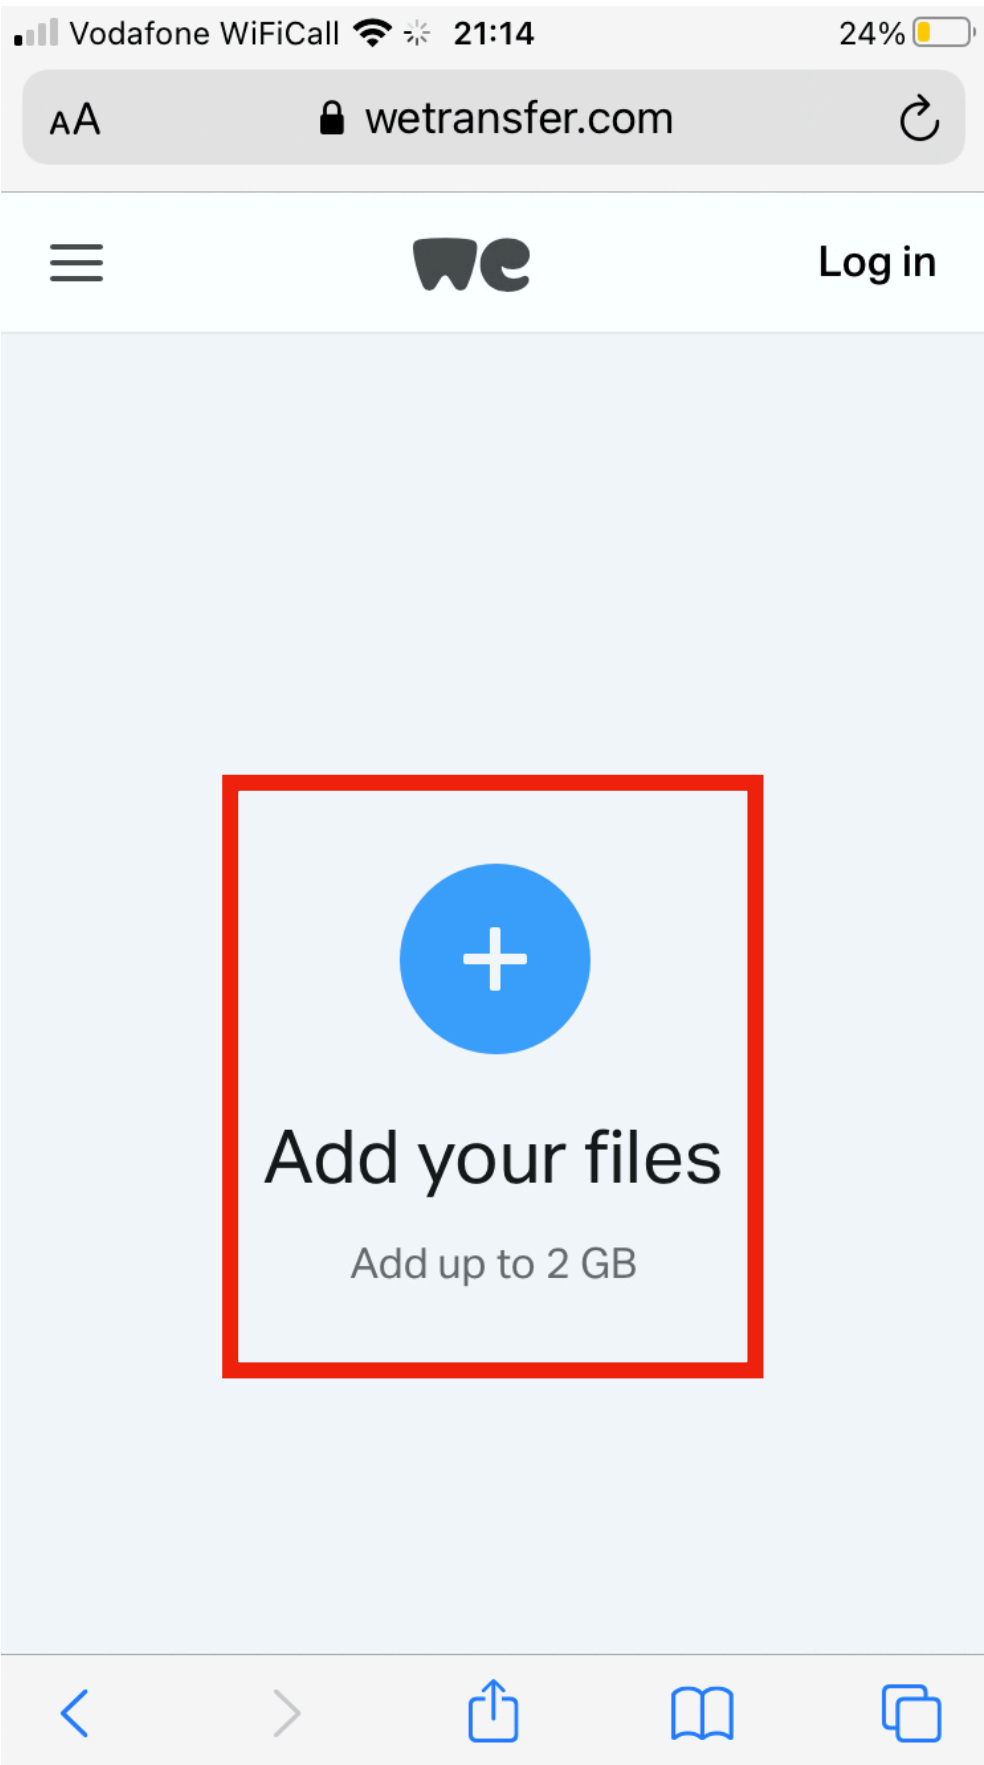

If anyone else is shown in the video please get their consent to share it on social media!

Please send it to us by **9pm Mon 16th Nov**
